ISSN 1852-1479 (On-line version)

RELACIONES is a biannual publication of the Argentine Society of Anthropology dedicated to publish unpublished articles, notes and commentaries based on research that provide original information about the various specialties of Anthropology (Archeology, Socio-cultural Anthropology, Bioanthropology, Ethnohistory, Linguistics and Disciplines related), that provide relevant and useful conclusions for the scientific community. With this, it is sought that Relaciones present complete panoramas of the current research topics in the country that are useful to the local and international public.
